#### GOOD REASONS TO BUY OUR PRODUCTS

**Price.** There are no middlemen or jobbers to raise costs.

**Warranty.** 1 year on new units; 3 years on analyzer bench.

**Experience.** Your EMS sales representative, Mike Gladue, is an ASE-certified master auto technician, with 12 years experience in the Connecticut emissions program and vehicle repair.

**Service.** Fast, straightforward answers to questions and problems.

*Our products are made in the USA with the highest quality components*
